**Bio**

My Testament: Some people (the government sponsored media) will say I was evil, a monster (V)... no... I was just born poor in a country where the Wealthy manipulate, use, abuse, and economically enslave 95% of the population. Rich Republicans, Rich Democrats... same-same... rich... they take turns fleecing us... our few dollars... pyramiding the wealth for themselves. The 95%... the us, in US of A, are the neo slaves of the Global South. Our Masters, the Wealthy, do, as they like to us...

"There's class warfare, all right, but its my class, the rich class that's making war and we're winning"  
- Warren Buffet

Rise like lions after slumber  
In unvanquishable number.  
Shake your chains to earth like dew.  
Which in sleep has fallen on you.  
Ye are many – they are few.
